

Hakeem newsletter(2021-2022) Even sem

C ABDUL HAKEEM COLLEGE OF ENGINEERING AND TECHNOLOGY

Hello readers ,

continuous plodders ever won, save base authority from others E-books “ as William Shakespeare says; the newsletter in your hand has taken a new look .we have taken utmost care to make it interesting and informative. A separate photo gallery is added. It speaks of our active participation in day to day life.

Department Vision

To be a pioneer in educating advanced information technology to students.

Department Mission

1. To impart sound knowledge of IT domains to the students in the under graduate level.
2. To nurture students to fulfil the dynamic industrial needs.
3. To motivate students to pursue higher degrees in technology and practice ethics with a social responsibility

Program Educational Objectives

- IT Graduates shall have basic and advanced knowledge in Information Technology along with the required supporting knowledge in mathematics, sciences, management and engineering fundamentals.
- IT Graduates will succeed in getting engineering positions with software and hardware industries, to become entrepreneurship and will practice ethics and have a sense of social responsibility.
- IT Graduates will succeed in the pursuit of advanced degrees in engineering and/or practice continued life-long independent learning.

EDITORS TEAM

MRS.BANU R

STUDENTS EDITOR

Z.Mohammed Fayaz

II YEAR

Program Specific Outcomes

Information Technology graduates will be able to:

- Apply current technical concepts and practices in the Information Management which uses the concepts of Databases, Data mining, information coding and effectively integrate IT-based solutions into the user environment.

Events.

- ◆ B. Delhi Ganesh of IT has attended poster Presentation held on National Science Day in C. Abdul Hakeem college of engineering and technology on 28.02.2022.
- ◆ S. Ravina of IT has attended Oral Presentation held on National Science Day in C. Abdul Hakeem college of engineering and technology on 28.02.2022.
- ◆ M. Johira bee of IT has attended Oral Presentation held on National Science Day in C. Abdul Hakeem college of engineering and technology on 28.02.2022.
- ◆ Harshavarthini of IT has attended Oral Presentation held on National Science Day in C. Abdul Hakeem college of engineering and technology on 28.02.2022.
- ◆ padmapriya of IT has attended Oral Presentation held on National Science Day in C. Abdul Hakeem college of engineering and technology on 28.02.2022.
- ◆ Z. Samah Nuha of IT has attended Oral Presentation held on National Science Day in C. Abdul Hakeem college of engineering and technology on 28.02.2022.
- ◆ Gowtham.G of IT has attended the event 'Freefire' in 'C.Abdul Hakeem College of engineering and technology' on 11.05.2022.
- ◆ Ayesha Fathima of IT has attended Paper Presentation held on 26.05.2022 in C. Abdul Hakeem college of engineering and technology conducted by SGC named as 'REVIBE'22'.
- ◆ Haritha of IT has attended Web Designing held on 26.05.2022 in C. Abdul Hakeem college of engineering and technology conducted by SGC named as 'REVIBE'22'.

- ◆ Gunavaradhan of IT has attended Connection held on 26.05.2022 in C. Abdul Hakeem college of engineering and technology conducted by SGC named as 'REVIBE'22'.
- ◆ Ahmed khan of IT has attended Connection held on 26.05.2022 in C. Abdul Hakeem college of engineering and technology conducted by SGC named as 'REVIBE'22'.
- ◆ Gomathi of IT has attended Web Designing held on 26.05.2022 in C. Abdul Hakeem college of engineering and technology conducted by SGC named as 'REVIBE'22'.
- ◆ Soniya .G of IT has attended Web Designing held on 26.05.2022 in C. Abdul Hakeem college of engineering and technology conducted by SGC named as 'REVIBE'22'.
- ◆ Santhosh kannan of IT has attended Connection held on 26.05.2022 in C. Abdul Hakeem college of engineering and technology conducted by SGC named as 'REVIBE'22'.
- ◆ Praveen Raj of IT has attended Connection held on 26.05.2022 in C. Abdul Hakeem college of engineering and technology conducted by SGC named as 'REVIBE'22'.
- ◆ Gowtham of IT has attended Photography held on 26.05.2022 in C. Abdul Hakeem college of engineering and technology conducted by SGC named as 'REVIBE'22'.
- ◆ Abdul Khaleel of IT has attended Connection held on 26.05.2022 in C. Abdul Hakeem college of engineering and technology conducted by SGC named as 'REVIBE'22'.

STAFF ACHIEVEMENTS:

- **Dr.S.Umamaheswari attended Five days FDP ON Ballari Institute of Technology and Management from 12-2-2021 to 16-2-2021.**
- **Mrs.H.Fameetha attended Five days FDP ON Ballari Institute of Technology and Management from 12-2-2021 to 16-2-2021.**
- **Mrs.V.Ezhilarasi attended Five days FDP ON Ballari Institute of Technology and Management from 12-2-2021 to 16-2-2021.**
- **Mrs.N.Naveena Begum attended Five days FDP ON Ballari Institute of Technology and Management from 12-2-2021 to 16-2-2021.**
- **Mr.M.Mohammed Rafee attended Five days FDP ON Ballari Institute of Technology and Management from 12-2-2021 to 16-2-2021.**

Interesting facts:

Days on the moon are hot enough to boil water, and nights are unfathomably cold, but [at least one spot](#) on the lunar surface stays a pleasant 63 degrees Fahrenheit.

Actually, [snakes do have clitorises](#).

Scientists [don't know](#) where the virus in the smallpox vaccine came from.

Sour or curdled milk is often [perfectly safe to consume](#).

The bone of a mastodon named Fred preserved memories from its life [13,200 years ago](#).

The [most common phrase on Facebook](#) in several French-speaking countries is “Have a nice day!”

Most people with diabetes [should not receive insulin](#) as a first-, second-, or even third-line treatment.

There [might not be a theoretical limit](#) to the height from which a cat can fall and survive.

Beyond a certain temperature—as low as 95 degrees, by some estimates—[fans do more harm than good](#).

About 10 percent of the bills introduced in Congress in the past two years have been titled with [reverse-engineered acronyms](#), including the ZOMBIE Act.

The [notes your doctor writes about you](#) probably don't look the same now as they did a year and a half ago.

It takes at least seven years to train the muscles and tendons in your elbow that will make you a [great arm wrestler](#), according to the arm wrestler Jack Arias, who was in the 1987 arm-wrestling movie *Over the Top* with Sylvester Stallone.

American Express [started making metal cards](#) in 2004 because of an urban legend about its most exclusive card being titanium.

The first-of-its-kind [electric Hummer](#) weighs as much as an ambulance and accelerates like a Formula 1 race car.

Woodpeckers have [small brains](#), which is why they can smash their heads against trees unharmed.

A toaster-size device inside a rover on Mars can convert Martian air, made almost entirely of carbon dioxide, [into breathable oxygen](#).

[Parrot theft is weirdly common](#).

[Lactose-intolerant people](#) have been throwing back dairy for thousands and thousands of years.

The provision in the Affordable Care Act that requires health insurance to cover contraception [does not require coverage for vasectomies](#).

[Pawpaws](#) tend to stay green throughout their life cycle, so in order to tell if they're ripe, you have to individually caress every fruit on a tree.
