**Report on Induction Programme for First Year Students — 2023-24**

## **Day- I**

**Speaker: Dr. P. M. Anbushiva, Associate Professor & Head,  
Jeppiar University, Chennai.**

### **Topic: Orientation**

An 'Induction Programme' was organized to welcome the first year students who were admitted to Engineering program at the institute premises on 28.08.2023 where students and parents had been welcomed by the Management and Principal of C. Abdul Hakeem College of Engineering and Technology. The objective of the programme was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the Institute and ensuring parental participation in monitoring the performance and progress of the students.

The day was marked with the presence of Chief Guest Dr. P. M. Anbushiva, Associate Professor & Head, Jeppiar University, Chennai. Other noted presence included Dr. S. Ziauddin Ahmed, Chairman, Dr. V. M. Abdul Latheef, Correspondent and Dr. M. Sasikumar, Principal, CAHCET.

Dr. M. Sadique Basha, HOD/MCA, welcomed the distinguished guest, the management, students, parents and faculty of C. Abdul Hakeem College of Engineering and Technology. Dr. V. Priyadarshini, HOD/MBA introduced the Chief Guest to the audience and thanked them for their presence and invited Dr. P.M. Anbushiva to speak.

Dr. P. M. Anbushiva delivered the speech about nowadays how Student's develop their Extra Curricular activities, Personality Development and also shared the

positive thought with the students that the present generation will take the ambitions of the country forward in the coming years as well as the experience of his life and how to utilize the facilities available and create opportunity. He delivered an inspirational talk in which he guided the students about goal setting and planning to become a good engineer and also regarding the current scenario of engineering education in the country. He made the students aware of the quality of engineering and engineering professionals in the country and how important it is to constantly work on to becoming the best in their area of engineering.

Dr. K. Ramya, HOD/S&H, thanked the guests for their kind and valuable words and wished the First Year Students a hearty welcome to the college.

## **Day- II**

**Speaker: Dr. M. Sasikumar, Principal, CAHCET.**

### **Topic: Career Guidance**

Dr. M. Sasikumar briefed the students about the several essential to build the career of the students. He made his first point by stating to students that time management is one of the important aspects to build the career of students. Secondly, he discussed the importance of discipline. Discipline, he meant to was the control of mind/goal/time/feelings of students who wanted to be achievers. Next, he stated that discipline is the bridge between goals and achievements. Further, he discussed the importance of studying the dictionary and how it would be helpful to enhance the knowledge of the students. In addition, he also talked about the importance of reading skills and public speaking. Finally, he concluded his session by saying that students must have transferrable skills like learning, communicating, teamwork, career management, self management, critical thinking, information handling and information and technology.

### **Day- III**

**Speaker: Dr. M. Thamim Mansoor, Associate Professor,**

**Department of Tamil, C. Abdul Hakeem College, Melvisharam.**

**Topic: Awareness about NSS**

The session was addressed for first year students about the role and future scope of NSS. He said, the National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. It provides an opportunity to the student youth at colleges and University levels of India to take part in various government led community service activities & programmes. The sole aim of the NSS is to provide hands-on experience to young students in delivering community service. Therefore, serve the nation with utmost loyalty. The motto, logo and objective of NSS and the days to be celebrated by the NSS throughout the year was informed to all the students. He had given awareness on the importance of social service for the upliftment of society and in general for the building up of a better nation in future.

## **Day- IV**

**Speaker: Mr. K. Mohammed Abdul Kader, Placement Officer, CAHCET**

### **Topic: Placement Opportunities**

Mr. K. Mohamed Abdul Kader discussed in detail about the job prospects, future of engineering, and the expected outcome after the four years. His primary focus was on vitality dynamics in which he stated that present scenario demands skilled and a competent communicator to get the job opportunities.

He inspired first year students to focus on people skill, enthusiasm, communication skill, logical reasoning and analytical ability, learn ability, decision making, consistency and sound base in technical skills. He ended his session, students must learn to develop their technical competency and vitality dynamics in order to fulfil the demand of the market.

## **Day- V**

**Speaker: Dr. L. Rajasekaran, Arignar Anna Govt. Arts College, Cheyyar.**

**Topic: Engineering and it's application**

Dr. L. Rajasekaran, gave an organized and well informed talk to the first year students regarding the importance and the opportunities presented to the field of Engineering as well as the students about the importance of various branches of Engineering and pressed on the point that each and every branch has its own relevance and none of these branches stand alone.

Further, he made a point that Engineering stands for solving problems by using available resources such as updated or recent technology. Next, he asked the students to rely on creativity and academic skills. Regarding the use of Mathematics, Science and Computers are the main entity for engineering and told that many methods used are common to all engineers.

Later, he discussed the types of application, important reasons to choose Engineering, rewards of opportunities, What is Engineering?, and greatest engineering achievements of the twentieth century.

## **Day- VI**

**Speaker: Mr. Z. A. Amjath, HOD/AERO, CAHCET**

### **Topic: Motivational Talk**

Mr. Z. A. Amjath started his session by inviting questions from students and asked them to create their opportunities and not to wait for the opportunities. Further he added that no one can motivate humans but we can inspire people with our action. The students can get inspiration from their teachers, parents, and eminent personalities.

He also added that a negative thought attracts more and positive thoughts get distracted very soon. He gave four main principles for success to the students. He inspired the learners to practice listening skills. Patience listening can change their failure into success. He also raised questions regarding the reasons behind the students who are toppers out of sixty students as they have learnt and practice the patience listening.

While concluding, Mr. Z. A. Amjath talked about creating positive attitude and vibes around respect the self, respond the self, response to the ability of the self and having a smiling face. Smile is the best way to learn and earn and live life successfully.
