3. IT Graduates will succeed in the pursuit of advanced degrees in engineering and/or practice continued life-long independent learning.

WORKSHOP

The department of Information technology has organized one day Technical Workshop "Innovation and Design Thinking" on 31 st August 2024 at 10.00 a.m in IT Seminar Hall.

MOCK INTERVIEW

IT Department organize The mock interview conducted by Mr. S. Venkatakrishnan, a professional from Strydo Technologies Private Limited, was designed to help participants prepare for real-world job interviews. Mr.Venkatakrishnan and team led the session by conducting Aptitude and Group Discussion guiding candidates through common interview questions and scenarios, offering constructive feedback on their responses

INDEPENDENCE DAY

Our Department of Information Technology proudly celebrated India's 78th Independence Day on August 16, 2024. This commemoration aimed to foster unity and patriotism among students through an inter-linguistic speech and singing competition, showcasing our nation's rich cultural diversity

INTERESTING FACTS

GPT-5 is a multimodal large language model developed by OpenAI, launched on August 7, 2025. It's accessible via ChatGPT (both free and paid tiers) and through OpenAI's API. At release, it demonstrated state-of-the-art performance on benchmarks involving mathematics, programming, and multimodal understanding. It serves as the flagship model, replacing preceding versions like GPT-4, GPT-4o, and GPT-4.5
